Associate in General Studies (AGS) An associate degree for students whose interests and educational objectives do not fall within either a traditional transfer or occupational program.

Associate in Science (AS) An associate degree that provides the first two years of study for students who plan to pursue a bachelor's degree in areas such as Biology, Environmental Science, Mathematics, Chemistry or Physics.

Bachelor's Degree A degree awarded by a college or university

Developmental Course: A pre-college-level course numbered less than 100 that develops skills in reading, writing, or mathematics, and prepares students for college-level English or mathematics. Credits earned in developmental courses do not count toward graduation but may meet the math requirements for some occupational programs.

Drop for Nonpayment: Failure to pay in full or to make the required down payment for tuition and fees by a specified due date may result in your class(es) being dropped.

Dual Credit: A college course offered at the high school campus during normal school hours. Through a partnership agreement with the high school, students earn both high school and college credit simultaneously. There is no fee for these courses to the high school or the students. Students must meet minimum requirements to enroll in these courses. (en-US)/MCID 164 >>BDC BT 9.6 0 iym 5r /P <</Lang EDrop ftal Course:
